

WINDSOR SECONDARY SCHOOL PARKING & DROP OFF FOR COMMUNITY SPORTS USERS

Are you planning to park or drop off/pick up a sports user at Windsor School Artificial Turf Field or the Soccer Bubble?

This is a busy location with high congestion, so here is some helpful information to make it easier.

Broadview Parking Lot - for sports groups booked for the upper artificial turf field, parking is located at the Windsor School parking lot on Broadview Drive, off Mt. Seymour Parkway. Watch for directional signage to Broadview Drive on Mt. Seymour Parkway. Follow directional signage from parking lot to the field.

Lytton Parking Lot - for sports groups booked for the lower Soccer Bubble field, parking is located at the Windsor School parking lot off Lytton St, off Mt. Seymour Parkway. Watch for directional sign to Lytton St on Mt. Seymour Parkway. Follow directional signage from parking lot to the soccer bubble.

Please respect the Reserve Parking areas for the Seymour Dance School and Day Care.

Do you Plan to Drop Off and Pick Up?

For those dropping and picking up folks, you can drop off and pick up in the Lytton cul-de sac, without driving through the Lytton Parking Lot. Sometimes the parking lot can be busy, so it may be easier to drop off and pick up in the cul de sac.

Buses & Team Vehicle Parking

Due to limited parking areas, no buses or team vehicles should park in Lytton parking lot. Buses and team vehicles should drop off players in Lytton cul de sac drop off area, or Broadview parking lot.
