A Note about Cancelled Classes

If the minimum number of participants has not registered for a class, it will be cancelled 3 days before the class is scheduled to begin. Be sure to register early to avoid disappointment, as a cancelled class does not guarantee transfer into the appropriate class. If participants register in the wrong level they will be required to withdraw without guarantee of transfer.

Mandatory Equipment

Skate lesson fees do not include skate and helmet rentals. All participants (including adults) are required to wear skates/ice cleats, gloves or mitts, and helmets (all these items are available to rent). Snowsuits or warm jackets and pants are highly recommended. Bike helmets are not recommended. Hockey, ringette and power skating participants are required to wear helmets with face cages.
