your guide to Playcard

What is a Playcard?

- Playcard is available FREE for everyone.
- Playcard is the North Vancouver Community Recreation Commission's access and rewards card. It is available to anyone who visits one of our Community Recreation Centres and sets up an account.
- Playcard is a plastic card with a digital photo of the card holder, the cardholder's name, and a "client number" in bar code form.
- Playcard allows clients to register on-line (eReg) at www.northvanrec.com.
- Playcard provides discounts when you shop at any of our 20+ Playcard Retail Partner locations.
- Clients who purchase a fitness membership are given a special sticker with their fitness membership expiry date that must be placed on their Playcard.

Important Playcard definitions

- **Playcard Number** - the number that appears on the individual's Playcard (in barcode form). Each client has their own unique number. The client number on the Playcard matches the client number generated by northvanrec's computer. The Playcard number is your log-in number for eReg, our online registration system.
- **PIN Number** - the number assigned to each family account when a Playcard is issued to allow the client access to phoneReg and eReg. All family members share the same PIN number.
- **eReg** - internet registration at www.northvanrec.com. To register online, you must have your Playcard number and PIN number.
